

NOZIN[®]

NASAL SANITIZER[®]

Antiseptic

NEW

**Helps reduce
the risk
of infection**

Ideal for:

- Travel
- School
- Work
- Gyms

Long Acting Formula

**Homeopathic
Patent Pending**

Directions for use:

1. Remove cotton swab from plastic bag.
2. Shake the bottle very well.

3. Remove bottle cap and gently squeeze bottle to apply about 4 drops of NOZIN[®] solution to wet the cotton swab
4. Place thumb and index finger on the swab stem directly below the wetted cotton part of the swab.

Caution: Do not extend the swab into the nasal canal any further than the short length of the cotton tip of the swab (about 1 cm or 3/8"). The swab stem should never enter the nose.

5. Carefully place *only the cotton part of the swab* just at a nostril tip. Using a gentle motion, make 3 or 4 circles to fully apply wetted cotton to the rim of the nostril. Repeat this step for the other nostril tip.
6. Discard swab.
7. Secure cap on the bottle.

CAUTION: DO NOT SPRAY SOLUTION UP INTO THE NOSE. APPLY WITH COTTON SWAB ONLY.

Warnings: For external use only. Apply with cotton swabs only. Solution is not to be sprayed into the nose or ingested. Do not apply solution to mucosal membrane. Keep away from eyes. In case of eye contact immediately flush with water. If irritation develops, discontinue use and consult a physician. **If pregnant or breast-feeding**, ask a health professional before use. **Keep out of reach of children without adult supervision.** For children under 6 years of age please consult with a physician before use. If swallowed, get medical help or contact a Poison Control Center right away. Do not use if you have a history of nasal bleeding or irritation. Do not use if you have allergies to citrus oils. Do not use more than three times a day.
